CDL PROGRAM

October 16, 2017

It is that time of year again that our CDL department, at the John D. Rockefeller IV Career Center, will be participating in the Wreaths Across America program.

Wreaths Across America began as the Arlington Wreath project in 1992 with the donation and laying of 5,000 Christmas wreaths at Arlington National Cemetery. In 2006, over 150 state and national cemeteries held wreath laying ceremonies simultaneously. By 2008, more than 300 locations held wreath laying ceremonies in every state. Over 100,000 wreaths were placed on veterans' graves. Over 60,000 volunteers participated.

Wreaths Across America reaches out to thousands of children/students each year with the message of "Remember, Honor and Teach." The importance of honoring each fallen service member as an individual is stressed.

Last year the JDR Career Center CDL students made the trip to Maine and picked up 3,000 wreaths. A dozen Career Center students traveled to the National Cemetery of the Alleghenies in Bridgeville, PA to place wreaths on veterans' gravesites.

Wreaths Across America is possible through donations. Please support our fallen veterans' and make it possible for us to participate in the Wreaths Across America program. We will be accepting donations through Tuesday, November 14, 2017. Any donation will be greatly appreciated.
